

Dear Friends,

2024 is in full swing, and we hope your organization is off to a great start serving your mission!

At this time of year, many nonprofits are finalizing an annual budget that cuts costs without cutting services. For many of us, community needs have outpaced donations and we find ourselves needing to be even more creative to stretch every dollar.

***As always, MCS is here to help!*** Our products are always at least 70% less than retail price (and sometimes even less — or free!), and our warehouse team is dedicated to helping you find the right products for your mission every time you visit. We also offer free products all year round through our [MCS Member Support program](#) (and the next deadline for Capacity Support is March 1st!).

If you or a nonprofit you know is looking for ways to save in 2024, we'd love to help. Please reach out any time, and meet our new Membership Manager Nicole Baker (more below)!

***How can we help you help others?***

Yours in service,  
Buddy Walck, MCS Executive Director

Our Pompano Beach Warehouse will continue to be open from 8:00 am to noon the first Saturday of every month. We can't wait to see you soon!

## New Members Find New Products For Their Mission

We love seeing our products serving our neighbors in need — like this photo shared by one of our newest members, Children's Home Society of Florida. In their Safe Harbor Shelter program they meet youth in crisis, many of whom arrive with little or no clothing other than the outfit they are wearing.

The product selection — like these Nike pants — and savings that MCS provides allows the Safe Harbor program staff to give youth clothing that can restore a sense of comfort and confidence while they face life's challenges. We are so proud to provide not just a pair of pants, but a sense of hope to
