

Dear Friends,

February has been jam packed with deliveries and activities around the MCS Warehouses — it's a good thing we have an extra day on the calendar this month!

We know you've been busy, too. We've heard from several members that our new operating hours (Monday through Thursday, 8:00 am to 5:00 pm at both warehouses) help you plan to make an MCS visit before you head in to your office or facility for the day. But if weekdays are tough for your schedule, don't forget that our Pompano Beach Warehouse is always open on the first Saturday of the month from 8:00 am to 12:00 pm.

How can we help you help others?

Yours in service,
Buddy Walck, MCS Executive Director

Impact in Action: True Gospel Holiness Christian Center

More than 600 families in North Miami Beach line up each week to receive food from MCS partner True Gospel Holiness Christian Center — some as early as 4:00 am for the 10:00 am distribution. Thanks to our partner Good360, in January they received hygiene products, too!

Since partnering with Morningday in 2019, True Gospel has acquired appliances including freezers, fans, and televisions, medical supplies including walkers and wheelchairs, building supplies including tile flooring, home goods including towels and sheets, and so much more. In the past five years, their partnership with Morningday has helped them save \$250,000.

The savings they find on the products they need allow True Gospel to serve

substantially more people — people who would have no way to meet their basic needs if it were not for nonprofits like True Gospel in their communities. This is why MCS is here: *to help you help others.*

Community Resources

There are so many great events coming up that can help you help others! Here are a few that are on our radar:

Saturday, March 2nd | [Spirit of Giving Community Spirit Race](#)

Our friends at Spirit of Giving coordinate this annual event at Florida Atlantic University in Boca Raton to help nonprofits reap all the benefits of raising funds through a 5K/1 Mile race, without incurring the expense, time, or staff resources to coordinate. We're so excited to cheer for the many MCS member teams that are participating!

Wednesday, April 3rd | [Greater Fort Lauderdale Chamber of Commerce Social Impact Breakfast Panel - Collaboration Across Sectors](#)

We are thrilled to join these esteemed panelists to share our insights and experience on one of our favorite topics — collaboration!

Katy Meagher – Executive Director at Neighbors4Neighbors (moderator)

Sandra Veszi Einhorn – Executive Director of the Nonprofit Executive Alliance

Mark Dhooge – CEO at KID

Amy Pont – Director of Community Health at Community Care Plan

Thursday, April 11th | [Association of Fundraising Professionals Broward/Ft. Lauderdale Chapter Meet the Funders](#)

MCS is here to help you stretch your dollars further, and AFP is here to help you bring more dollars in! This annual event brings together Broward-focused corporate funders, private foundations, and individual philanthropists to share their perspective on giving, followed by an opportunity to have direct conversations with the funders themselves.
